DESCRIPTION

Kraus stainless steel sink & faucet combinations offer great savings on best selling kitchen products. Handcrafted from premium 16 gauge T-304 stainless steel for maximum durability, the farmhouse sink creates a contemporary look for the kitchen. Extra-deep basins accommodate large dishes with ease. The clean lines and apron front design complement any décor, from traditional to transitional to modern. All Kraus kitchen sinks are equipped with top-level soundproofing, including thick rubber dampening pads. Each sink is additionally treated with protective Stone Guard coating, which reduces condensation and further dampens sound. The corrosion-resistant surface is further protected from rust and oxidation by a meticulous finishing process. Commercial-grade satin finish and gently rounded corners make maintenance as simple as wiping the surface with a damp cloth. For a streamlined look and easy installation, this sink is paired with a best selling commercial-style kitchen faucet. Each faucet features top-quality components, including a high performance water-efficient aerator and a precision ceramic cartridge for reliable drip-free use. The industrial design aesthetic creates a dramatic look with contemporary appeal and flexible functionality. The flawless finish matches many popular appliances, complementing your décor with versatile style. Experience Kraus Quality and bring your best kitchen ideas to life.
