DESCRIPTION

The Bolden™ commercial-style faucet creates a captivating industrial look with a high-arc open coil spout, and offers the advantage of a compact 18" height that fits underneath most kitchen cabinets. The highly functional design features a pull-down sprayhead with Reach™ technology for superior maneuverability and an extended range of motion, allowing you to reach all around the kitchen sink. The dual function sprayer switches between an aerated stream for filling pots and pitchers, and a powerful spray to rinse dishes and wash away stubborn food residue. Heavy-duty construction and premium components ensure long-lasting worry-free use. For the ultimate installation convenience, Bolden™ comes with pre-attached waterlines and all mounting hardware included. Experience Kraus Quality in your own kitchen, and Go Bold with Bolden™.
