IN STOCK

Standart PRO™ Series sinks are built to impress, with rugged construction and wear-resistant finish that performs beautifully, even under heavy use. So go ahead and host that dinner party - Your sink can handle it all!

Finish

Stainless Steel

DESCRIPTION

Enjoy the advantage of high-end kitchen sinks without the high price tag with the best-selling Standart PRO™ Series by KRAUS. This Kraus sink features industrial-grade corrosion-resistant T304 stainless steel and extra-thick TRU16 real 16-gauge construction for rugged durability. Award-winning NoiseDefend™ technology insulates the basin with superior soundproofing. A deep bowl offers plenty of room for all your dishes, while gently rounded corners make this sink easy to clean. Commercial-grade satin finish offers lasting protection, with a beautiful sheen that complements any kitchen décor. A rear-set drain ensures optimal drainage even with dishes in the basin, while engineered channel grooves help direct water to the drain, for a clean and quick-drying sink.

Benefits & Features

- Durable & Dent-Resistant: Made with premium-grade T304 stainless steel
- Extra-Thick TRU16 real 16-gauge construction for superior strength and durability
- Lifetime Limited Warranty: Satisfaction guaranteed with customer service that puts you first
- Commercial Grade Satin Finish: Corrosion and rust-resistant; resilient and easy to clean
- NoiseDefend™ Soundproofing Technology: Features extra-thick pads covering over 80% of the sink and non-toxic undercoating for added insulation
- FREE Accessories: Multi-functional dish grid protects the bottom of the sink, 3 piece basket strainer set, premium Kraus kitchen towel
- Undermount Installation: Sink installs beneath counter for a sleek and seamless look
- Extra-Deep Sink contains splashing and fits your tallest pots and stacks of dishes
- Engineered Drain Grooves direct water toward drain to keep sink free of standing water
- Rear-Set Drain: Standard 3.5" drain opening provides more usable space in the sink
- Installation-Ready: Kraus provides all mounting hardware, cut-out template, installation and care instructions
- Outer Sink Dimensions: 26" L x 18" W x 10" D. Min Cabinet Size: 30"; Spacious sink perfect for soaking and washing your largest pots and pans
- Product Certification: All Kraus products are marked cUPC, for assurance that the product meets all North American standards
- Compatible with Kraus Stainless Steel Colander: CS-2
