

## KRAUS STANDART PRO™ 32-INCH 16 GAUGE UNDERMOUNT 60/40 DOUBLE BOWL STAINLESS STEEL KITCHEN SINK

IN STOCK

Known for outstanding quality and dependability, Standart PRO undermount sinks are designed with straight walls and tight-radius corners to create a contemporary look in any kitchen. Built to impress with rugged T304 construction, wear-resistant finish, and industry-best NoiseDefend soundproofing technology, this KRAUS sink is designed to efficiently handle the toughest messes. Undermount installation creates a seamless transition between sink and countertop for a beautifully finished look

### DESCRIPTION

Known for outstanding quality, Standart PRO sinks feature contemporary tight-radius corners and channel grooves designed for superior drainage. Undermount installation creates an uninterrupted transition from countertop to sink for a seamless look.

### Benefits & Features

- KITCHEN SET INCLUDES: Sink, bottom grid x2, drain assembly x2, removable drain cap x2, Kraus kitchen towel, mounting hardware, cutout template
- UNDERMOUNT DESIGN creates a seamless transition from sink to countertop and makes it easy to wipe water and crumbs straight into the sink
- ULTRA-SLIM LOW DIVIDER offers the openness of a single bowl sink, with extra clearance for washing sheet trays and long handled pans while preventing overflow onto your kitchen counter
- OFF-SET DRAIN and easy-clean tight-radius corners create a high-end contemporary look
- DURABLE AND DENT-RESISTANT sink made with premium TRU16 real 16-gauge T304 stainless steel
- STAINLESS STEEL BOTTOM GRID: Custom-fit dishwasher-safe grid/dish rack protects sink surface and keeps dishes elevated for optimal draining
- HIGH CAPACITY SINK: Extra-deep 50/50 double bowl design makes your kitchen workspace more versatile, and fits your biggest pots and stacks of dishes
- ENGINEERED FOR EASY DRAINING with off-set drain opening and channel grooves to keep sink free of standing water
- DECORATIVE DRAIN COVER: CapPro™ conceals drain assembly and garbage disposal for a seamless look
- FULLY INSULATED WITH NOISEDEFEND: Extra-thick pads cover all sides of the sink to absorb unwanted noise and vibration
- NON-TOXIC UNDERCOATING: Prevents condensation and creates a moisture barrier that protects the sink and base cabinet from damage
- LONG-LASTING RUST-RESISTANT FINISH will not dull from daily use
- LIFETIME LIMITED WARRANTY: Satisfaction guaranteed with customer service that puts you first
- OUTER SINK DIMENSIONS: 32 in. L x 19 in. W x 10 in. D; Minimum Cabinet Size: 36 in.
- CERTS: ASME A112.19.3-2008/CSA B45.4-08, Uniform Plumbing Code (UPC), National Plumbing Code of Canada, International Plumbing Code (IPC)
