DESCRIPTION

Transform your kitchen with the sweeping lines and soft curves of the eye-catching Nolen™ faucet. The contemporary design of this pull-down faucet features a dual-function sprayhead with rocker switch, allowing you to easily switch between aerated stream and powerful rinsing spray. A flexible nylon hose with swivel adaptor offers unparalleled range of motion and effortless movement all around the sink. Soft rubber nozzles make the sprayface easy to clean and maintain a lasting powerful flow. An optional deck plate (included with purchase) allows you to install this single handle faucet with a 1, 2, or 3-hole sink. Available in all-Brite™ Spot Free Stainless Steel finish, which helps to prevent fingerprints and requires less cleaning

Benefits & Features

Faucet Height: 16 3/8"

Modern Kitchen Style: Contemporary design features sweeping lines and soft curves that really make a statement

Convenient Size will fit underneath most kitchen cabinets while providing more space over the sink

Dual-Function Sprayhead offers aerated stream for everyday cleaning and powerful spray for heavy-duty rinsing

Pull-Down System with Reach™ Technology: State-of-the-art spout, swivel sprayhead connector, and counterweight offer frictionless performance. Sprayhead moves effortlessly to flex, pivot, stretch, and easily glide back into the spout

Secure Docking Mechanism: Sprayhead securely clicks into place, with no drooping over time. Under-sink counterweight offers smooth retraction and a stable hold

Sprayer Hose Length 18" when fully extended from spout, allowing you to easily reach inside and outside of the sink

all-Brite™ Spot Free Stainless Steel Finish prevents water spots and fingerprints; requires less cleaning, with no need to wipe faucet after each use

Built For Long-Lasting Performance: Durable metal construction with lead-free waterway and ceramic cartridge for lifelong leak-free performance

High Arc Spout offers more workspace over the sink to conveniently accommodate your largest cookware

Faucet Swivels 360° for complete kitchen sink access

Easy-Clean Silicone Spray Nozzles: A simple swipe of the finger removes mineral deposits and hard water build-up, for a lasting powerful flow

Smart Single Handle Design: Handle operates with a 90° forward rotation, allowing for installation in tighter spaces with no backsplash clearance needed

Easy-to-Use Single Lever design offers precise control of water temperature and volume

Eco-Friendly Faucet: Water-saving aerator reduces water waste without sacrificing pressure by providing an efficient 1.8 gpm flow rate

Optional Deck Plate Included: Allows you to install this single handle faucet on a 1, 2, or 3-hole sink.

Installation-Ready: For your convenience, faucet comes with waterlines and all mounting hardware included

Lifetime Warranty: Faucets are covered by warranty on finish and function, ensuring your satisfaction for years to come

Certifications: cUPC (UPC&CSA), NSF/ANSI Standard 61 certified by IAPMO, NSF/ANSI Standard 372 certified by IAPMO, AB1953,

EPA, CALGreen, MASS, FTC, DOE, CEC and ADA
